TERMS AND CONDITIONS

1. Extension of Credit (applicable to charge accounts)

- A. Submission of a completed Credit Application and Agreement ("Agreement") in no way guarantees extension of credit. Applicant/Purchaser ("Buyer") understands and agrees that the amount of credit extended, if any, is at the sole and absolute discretion of Light Bulb Depot ("Vendor"). Credit extended by Vendor may be modified, withdrawn or amended by Vendor at any time without notice. Changes in Buyer's business status such as incorporation shall not change the Buyer's liability with Vendor unless the Buyer has completed and submitted an updated, accepted Agreement.
- B. Buyer represents and warrants that any and all information furnished to Vendor in connection with Buyer's request for credit or services (including but not limited to any information regarding Buyer's financial situation) is true and correct.
- C. A request for credit report or report to a credit bureau may be made in connection with this application. - D. Vendor, at its sole and absolute discretion, may determine that Buyer's financial condition or magnitude of order requires full or partial payment prior to manufacture or shipment.
- E. Vendor reserves the right to withhold shipments or suspend performance if any portion of Buyer's balance is past due.
- F. If any payment is not made in a timely fashion by Buyer, any other unpaid accounts and/or balances with Vendor shall at Vendors sole and absolute option be declared and become fully due and payable immediately.
- G. Vendor's decision or action to: restrict access to product, suspend performance or take any other corrective measures, which may or may not involve a restriction of any sort due to the following matters regarding the Buyer (whether real or perceived): a credit concern (solvency, etc), Buyer's failure to make payments when due or Buyer's failure to fulfill any obligation designated herein. This shall not constitute a termination or breach of this agreement or a release on Buyer's part from any obligation contained herein.

2. Communications

The Buyer agrees to allow faxing and/or e-mailing of invoices, statements and advertisements. Should Buyer for any reason refuse to accept or request that fax or e-mail communication cease then Buyer hereby expressly waives all rights and/or expectations of notices or communications from Vendor.

3. Quotations

- A. All quotations expire 30 days from the date of the quotation unless otherwise noted on the quotation. This time limit applies even if Buyer uses the quotation to submit a job or project bid to any other party.
- B. Errors and omissions in quotations are subject to correction by Vendor.
- C. Should a supplier or service provider of Vendor renege on or otherwise fail to perform according to the assurances whether price related or otherwise or that it provides to Vendor, Buyer agrees to hold Vendor completely harmless for failure to perform. Vendor will always however, in any such situation, make its best effort to quickly find a reasonably equivalent and competitive alternative.
- D. Vendor will not honor verbal quotations. Upon request, quotations will be provided in writing.

4. Orders

- A. All cancellations must be submitted to the sales department in writing and then must be followed by telephone confirmation of receipt. Cancellations shall not be authorized for orders which have already shipped either from Vendor or Vendor's supplier(s).
- B. Cancellations shall not be authorized for special orders, items which are made to order or are not normally stocked by Vendor. Partial or full payment may be required prior to a special order being processed.
- C. No order shall be assigned by the Buyer without the express written consent of the Vendor.
- D. Shipping and/or delivery dates given in advance of actual shipment of goods or performance of services are estimates and shall not be deemed to represent fixed or guaranteed delivery dates. Reasonable delays shall not be grounds for cancellation of orders or refund of payment.
- E. Claims for any nonconforming good must be made by Buyer in writing within ten (10) days of Buyer's receipt of goods and must state with particularity all material facts concerning the claim then known to Buyer.

Failure by Buyer to give notice within such ten (10) day period shall constitute an unqualified acceptance of such goods by Buyer, and a waiver of any right to reject or revoke acceptance of such goods.

5. **Taxes**

- A. The amount of any present or future sales, use, excise or other tax due which is applicable to any sale between Vendor and Buyer shall be paid exclusively by the Buyer. Buyer agrees that Vendor shall never be responsible for paying any taxes on its behalf.
- B. In the case that the Buyer asserts that they are tax-exempt the Buyer shall provide Vendor with a tax-exemption certificate deemed acceptable by the incumbent taxing authorities.
- C. Under penalty of perjury Buyer promises that all purchases made under their tax exempt account will be used solely and exclusively by the Buyer's tax exempt entity and shall be used solely and exclusively for a tax exempt purpose.
- D. Buyer understands and agrees that failure on the Buyer's part to pay any taxes which are required by any taxing authority that pertain to any transaction with Vendor may result in this failure being reported to a/the taxing authority(ies) as required by law.
- E. Under penalty of law Buyer agrees and promises to report all purchases which are not made by a tax exempt entity or for a tax exempt purpose, for which Vendor was not required to collect any taxes, to the pertinent taxing authorities and pay any applicable taxes (e.g. "use" taxes) as required by law.

6. **Shipping**

- A. **Freight-Allowed (Prepaid) Shipments:** If the remittance for an order where the freight is allowed is not received in full within terms the freight charges shall no longer be allowed. Buyer shall be responsible for freight charges applicable to orders which are modified to a value below the freight allowed amount. Freight allowed shipments shall be made via the carrier of Vendor's choice. If the Buyer requires shipment via a specific carrier additional charges may apply.
- B. **Special Handling and/or Packaging:** Any unusual expense incurred for including, but not limited to special handling, inside delivery, job sites, COD charges, residential delivery, security inspections/compliance, tariffs, importation/exportation or special packaging methods and/or packaging materials required by buyer shall be the sole and absolute responsibility of the buyer.
- C. **3rd Party/Collect Shipments:** For 3rd party and collect shipments additional charges may apply. These charges may include but shall not be limited to the cost of wooden pallets, strapping or special packaging materials/requirements. We regret to inform you that we will not file any freight claims for shipments shipped via 3rd party or collect shipping.
- D. **Damages and Shortages:** All Vendor's merchandise is packed with great care by experienced packers. Vendor will file damage claims for Buyer on prepaid or prepaid & add shipments. However, in all other instances, unless otherwise noted, all sales of goods are made FOB shipping point, and in all cases, title shall pass upon delivery to the carrier at point of shipment and thereafter all risk of loss or damage shall be upon Buyer. Vendor's responsibility for safe delivery ends once the freight carrier accepts the merchandise. All claims for goods damaged in transit are Buyer's sole responsibility when not delivered by Vendor's truck. However, this is only if the following requirements are met:
 - i. **Parcel Shipping:** If a shipment is damaged or short upon receipt, accept the package and report the damage or shortage to us within 24 hours of said receipt. Upon receipt of your report further steps will be provided for each individual shipment. DO NOT dispose of the packaging or the product as the shipper may require inspection of the shipment.
 - ii. **Truck Freight:** If a shipment is damaged or short upon receipt, notate the damage or shortage in detail on the freight bill before it is signed by the delivering driver (for example: "15pcs F32T8/841 broken out of 1 case of 25"). After notation is made on the Bill of Lading the truck driver must then sign it.
 - iii. If these steps are not followed, we regret to inform you that filing a claim on your behalf will not be possible. Please contact the carrier directly to file your damage claim.

7. **Pricing, Payments and The Costs and Results of Collection**

- A. Payment terms for charge accounts, unless otherwise agreed upon by Vendor in writing, shall be 30 days net from the invoice date.
- B. Unless otherwise agreed upon by Vendor in writing, prices, and pricing policies will be those set forth in Vendor's current pricing and pricing policies in effect at the time of shipment. Retainage shall not apply, and Buyer shall not hold back any retainage from Vendor, even if retainage is part of any contract between Buyer and any other party.
- C. Credit Card sales are billed at time of purchase.
- D. Buyer expressly represents that it is solvent and in good standing and current with all governmental and taxing authorities at the time it places any order with Vendor.
- E. Buyer is responsible for additional applicable shipping and handling charges, taxes and duties.
- F. Buyer agrees that by making payment by check Buyer authorizes Vendor to represent any checks electronically (e.g. via ACH "Automated Clearing House"). Buyer authorizes any account controlled by Buyer

which has been used to make payment previously either by check, ACH or wire transfer or as such information has been provided by Buyer to Vendor to be debited and/or credited by Vendor or its designated Agent. This authorization also applies to any new or updated account information provided to Vendor by Buyer or Buyer's representative or agent at a future date.

- G. There shall be a \$30 service charge assessed for each returned check presented to Vendor. Buyer agrees that by making payment by check Buyer authorizes Vendor, its agent Domino Management Services LLC or other Agent as selected by Vendor to represent any returned checks electronically (e.g. via ACH "Automated Clearing House") and initiate a separate debit for a \$30.00 return fee or legal limit whichever is less. By paying by check Buyer is affirming that it understands and agrees to this Check Return Policy.
- H. Vendor strives to maintain a competitive up to date pricing structure. However, from time to time due to unforeseeable circumstances price changes are unavoidable and may be put into effect with little advance notice.
- I. At Vendor's sole and absolute discretion either interest at 1 1/2% per month (18% per year) or the maximum legal rate shall be charged on past due accounts. Buyer agrees to pay all cost of collection including but not limited to court costs, attorney fees and any agency or contingency fees.
- J. All transactions are made using USD(\$).

8. Refunds & Returns

- A. Refunds on orders which were paid via check or money order shall not be issued until 14 business days from the date of original check deposit.
- B. Refunds on orders which were paid via cash or check where the refund amount exceeds \$50.00 shall be mailed to Buyer in the form of a check.
- C. Refunds on orders which were paid via credit card shall only be applied to the original credit card.
- D. Merchandise which has been installed and/or wired is non-returnable.
- E. Refunds are only issued Monday through Friday during normal business hours.
- F. Merchandise may not be returned without the prior written authorization of Vendor. Request for permission to return must be made within 30 days of the receipt of shipment. All merchandise returned without prior authorization shall be refused. **Note:** contact your sales associate to request the return materials authorization form that must accompany your return.

- H. Only full, unopened cartons in resalable condition shall be considered for return. Returns shall not be considered or authorized for special ordered product.

- J. Any and all goods ordered from Vendor which are Buyer specific and/or non-returnable to Vendor's vendor(s) are subject to a restocking/cancellation fee of 100% of the order value.
- K. Remember: in order to ensure that your return is received undamaged and processed in a timely manner please properly package and label your return according to UPS/FedEx packaging guidelines and with the RMA number clearly written on the outside of the package. Returns which are damaged will not qualify for credit.

9. Credit Balances

- A. Vendor maintains two different types of credit balances
 - i. **Store Credit Balance (Store Credit)** - This credit balance may be applied exclusively to outstanding balances or future purchases but is not available for cash or equivalent refund.
 - ii. **Open Credit Balance** - This may be applied exclusively to outstanding balances, future purchases or may be refunded as long as the refund is requested within one-hundred eighty (180) days from the date the credit was issued.
- B. The most effective and efficient way to use credit balance is to apply them to outstanding balances when making payment. However, per standard accounting procedure Vendor will not apply outstanding credit balances arbitrarily without Buyer's instructions or confirmation as so doing will cause Buyer's and Vendor's records to fall out of accord. Inconsistent records between Buyer and Vendor will very likely result in additional inconsistencies such as over-payments, double payments and the like. Due to this possibility Vendor will make a reasonable effort to contact Buyer to not only make Buyer aware of the existence of the credit balance, but also to determine which outstanding balance Buyer would like the Credit balance applied to.
- C. Vendor may at its option, after one-hundred eighty (180) calendar days from the date the credit was issued and after making reasonable effort to contact Buyer, choose to apply outstanding credit balances to existing open balances for the purpose of settling outstanding balances.
- D. Refunds for Open Credit Balances shall be subject to a \$15.00 processing fee.
- E. "Open Credit Balance(s)" which are posted for any reason by any method against the Buyer's account shall remain for a period of one-hundred eighty (180) calendar days from the date the credit is issued. After a

period of one-hundred eighty (180) calendar days from the date the credit was issued has passed the "Open Credit Balance" will change to a "Store Credit Balance."

F. "Store Credit Balances" do not expire.

10. **Exportation**

Buyer shall not name Vendor as shipper or exporter of record in connection with the export of any goods purchased from Vendor.

11. **Buyer is Not a Consumer**

A. Buyer represents, warrants, certifies, promises, understands and agrees to all of the following in this paragraph:

- i. Because business accounts are not established for individual consumers but are only opened for commercial customers, all purchases made from Vendor and any credit extended hereunder will be used solely for business and commercial purposes.
- ii. Buyer is not a "consumer" as defined in the Federal Consumer Credit Protection Act, or any other consumer credit laws (Federal, State or Local) and as such Buyer waives all rights granted to consumers under the Federal Consumer Credit Protection Act, and Federal, State and Local laws pertaining to "consumer" rights.

12. **Submissions**

Vendor will not be required to treat any Submission as confidential, and will not be liable for any ideas for its business (including without limitation, product, or advertising ideas) and will not incur any liability as a result of any similarities that may appear in future Vendor operations. Without limitation, Vendor will have exclusive ownership of all present and future existing rights to the Submission of every kind and nature everywhere. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR THE LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, IN SUCH STATES OR JURISDICTIONS, VENDOR'S LIABILITY SHALL BE LIMITED TO THE EXTENT PERMITTED BY LAW.
